

The Native Speaker Program is an ESL Program at Dara Academy.

Classes are taught by a Native English Speaker four or five times a week. The Dara Academy Native Speaker Program (NP Program) teaches all levels of students, from kindergarten to grade twelve.

During the Spring semester, students are required to complete a community service project. This project is designed to help students develop a sense of social responsibility and to give back to the community. Students are encouraged to choose a project that interests them and to work with their classmates to complete it. The project can be completed during the semester or over the summer. Students are required to submit a report on their project at the end of the semester.
