

Hello! My name is Alice; I'm from Nottingham in England. This is my first year at Dara Academy and I'm very excited to be here. I'm teaching Matayom 5 NP and Matayom 5 2 Skills.

My past experience includes teaching English to children from the ages of 2 up to 18 in Cambodia, and volunteering in Nepal at a children's club. I loved both experiences greatly and wanted to further my career in Thailand as it's such a wonderful country. I graduated from the University of Nottingham with a bachelor's of Environmental Sciences in 2012. I have a passion for teaching and have 4 members of the family who also teach so it must run in the genes!

I can't wait to meet my new students and colleagues and I'm very proud to be a part of the team at Dara Academy.
